

**My Dear customers,**

**BSNL Madhya Pradesh is committed to provide you high level of quality in its services, with full dedication of its workforce.**

**We as a service organization of government of India, try to deliver affordable and service of telecommunication and IT to our valued customer across all social and financial background. We are always first to reach out to people in difficulty in any part of the country.**

**We are committed to be nodal in achieving the Digital India initiative of the Hon. Prime minister of India. In this direction we have taken following initiative**

- Unlimited Free Night Calling on Landline from 10.30 PM to 6 AM and on all sundays.**
- Free Roaming. BSNL is the only Operator to offer this facility across the Country including Mumbai and Delhi.**
- Offer minimum 8Mbps Speed across all the ADSL Broadband Plans.**
- Slashing mobile call charges by 80%**
- Optical Fibre reached upto Gram panchayat level.**

**We would be more than happy to modify our plans to suite your requirements. We seek your support to better our services and achieve excellence.**

**I promise you that we will make honest and sincere effort to change whenever and wherever required in our approach to meet your expectations.**

**With Best Regards  
Dr. mahesh Shukla  
Chief General Manager  
MP Telecom circle,  
Bhopal**
